Please see my remarks regarding the details of the organisation of this Exhibition. They seem to have the assistance of the Deputy Commr who should be able to guide them in their work. Even without being one of their office bearers, I shall be happy to offer advice and suggestions as and when required. It is presumed the organisers would have gone ahead with the work of the Exhibition & there appears to be no point in setting up an Advisory Committee at this belated stage & asking me to be their Chairman. Evidently, planning & organisation have already taken place. It is doubtful if I could contribute at this stage.

In spite of these facts, if they desire that I should help them in any manner, I shall be willing to do so. It would not interfere with my official duties, I am sure.

Dear Sir,

I am pleased to learn from our General Secretary that you have no objection whatsoever for Sri Mallaradhya accepting our offer of Chairmanship of our Advisory Committee and that it is left to his free will. Sri Mallaradhya, in his letter dated the 19th instant, has informed us that since no sanction of the Government permitting him to serve as the Chairman of our Advisory Committee has been accorded, he is unable to accept our invitation.

Under the circumstances I shall be much obliged if you can kindly advise him to serve as the Chairman of our Advisory Committee in his personal capacity. The meeting of Board is held up for want of Mr. Mallaradhya's presence. I earnestly hope you will appreciate my difficulty and extend your kind co-operation.

A copy of letter dated the 19th instant from Sri Mallaradhya addressed to us is enclosed herewith for your kind information.
